# *Get Inspired everyday with Aravali's splendour*

The Aravali range is one of the world's oldest mountain ranges. Its northern end continues into Haryana and ends in Delhi at Raisina Hill as its last extension. Despite erosion over time the hills are no less than a source of eternal beauty and a matter of everyday inspiration for beholders. Its panoramic view, greenery and healthy environmental effects make it a special feature of Mount Ville.

*Designed for Delightful living*

**Hafeez Contractor** is India's most celebrated architect. He is known for creating marvels but, in creating the blueprint of Mount Ville, his genius has tried to compete with the height and beauty of overlooking hill range. Whether exterior or interior, every inch of architectural magic, strewn in apartments and terrace homes totaling 756 apartments decorating 8 high-rise towers, is amazingly impeccable and ideal for royal living.

**Spread over 16.5 acres of land | Elevated complex on green belt | Apartments ranging from 1490 sq. ft. to 2650 sq. ft. Terrace homes ranging from 1620 sq. ft. to 2710 sq.ft**

*A perfect  
compliment to  
majestic Aravalis*

The artistic rendition of abundance of green, pathways, amphitheatre, lawns, and most sustainable ratio of open space versus built-up space make Mount Ville a unique treat of urban living. The breathtaking landscaping plan has been masterfully prepared by world's leading landscape architectures – LSG Inc, USA.

## *Pampering four-walls to inspire all*

Inundated with sunlight and cross currents of refreshing breeze, the spacious Drawing room is ever ready to welcome you and your guests. The sprawling and cosy bedrooms give the cherished confinement with promise of desired comfort. Whether the solitary room of children's study, ideally located kitchen for the lady of the house, or balconies that offer mountain view while you relax over a cup of tea, every apartment of Mount Ville adds value to inspired living.

**3-4 Bedrooms premium hill view apartments  
Modular kitchen with chimney and hob |  
Spacious Balconies**

## *A paradise for fitness & Leisure enthusiasts*

Health is wealth. With the rising awareness, observing a regimen of sports has rather become a part of lifestyle. Some play a racquet game, some ball sport and some simply jog or walk. Mount Ville facilitates high standard of sports facilities within its campus where luxurious living is amply buttressed by a wide range of recreational features.

**Gymnasium | Tennis court | Skating rink  
Outdoor fitness node | Badminton court**

## *Different strokes of swimming*

Swimming and water sports make an integral part of today's inspired lifestyle. Going for a spirited dive and splashing a few strokes in the blue waters of swimming pool is joy for children and a rejuvenating work out for seniors. Keeping in mind different choices of different age group, Mount Ville has a variety of well-built pools; not merely for sake of them, but to ensure that luxury is not watered down even if it's about water bodies.
