Maxvel Group is among the new age leaders in real estate development, known for the quality of its residential and commercial developments in Northern India. With a track record of delivering large-scale successful projects, Maxvel has, to date, completed the handover and is in the process of completing the following key projects:

Residential Projects:

Maxvel New Model Town, Mohali

This project includes 50 completed floors and nearly 54 floors under construction in Mohali.

The Solitaire Crown, Dehradun

A 94-apartment, 9-storey residential development completed within two years.

Maxvel Residency, Dehradun

A 48-apartment, 6-storey residential project offering scenic views of the Mussoorie hills.

The Solitaire Vista, Dehradun

A 54-apartment, 9-storey project currently under construction.

Commercial Projects

The Pavalion

Maxvel is developing commercial complexes such as The Pavalion in Dwarka, New Delhi, designed for offices, restaurants, and banks.

Maxvel has delivered over 40 residential floors in North Delhi and is currently expanding its footprint in the rest of NCR. Besides real estate, Maxvel is also diversifying into projects like the Dairy Plant Project in Gāvi, offering high-quality production of dairy products for Northern India.

Maxvel Pavilion is the ultimate commercial hub that delivers a dynamic mix of shopping, retail, banking, and office spaces to a cross-section of customers. Its ideal strategic location assures easy access and convenience and makes it an ideal destination for businesses and customers alike. With a wide array of retail outlets, bustling shopping areas, and essential services such as banks, it presents a seamless experience for its visitors. Its well-planned office spaces create the right atmosphere for productivity; thus, Maxvel Pavilion is a vibrant center of commerce and community interaction.
